

OBJECTIVES

The proposed Research Methodology Course will train young social science Ph.D. scholars by infusing scientific approach and acquainting them with research tools and techniques.

The specific objectives of the course are

- To enable the participants, to define their research problems, develop an approach to research problems and select suitable research design.
- To sensitize participants on the ethical aspects of social and behavioral research as well as plagiarism software.
- To familiarize the participants on the prerequisites in fieldwork and collection of quantitative/qualitative data and its methods.
- To provide expertise in statistical techniques and interpretation of statistical data.
- To impart capabilities for formulation and testing of hypothesis based on the nature of research.
- To train young social science researchers on the use of appropriate statistical software packages for analysing research data.
- To enable researchers in writing research reports, thesis, dissertation, research papers, and scholarly articles.
- To provide hands-on training on paper writing.
- To disseminate information on various sources of research funding and provide training on writing grant proposals.

ELIGIBILITY OF THE PARTICIPANTS:

The number of seats for the Research Methodology Course is restricted to **60 participants** of Social Science disciplines.

The Scholars who are registered with social science discipline M.Phil./ Ph.D./PDF are eligible to apply for this course.

About The Workshop

The Department of School of Studies In Economics, Vikram University, Ujjain under the sponsorship of the Indian Council of Social Science Research, New Delhi organizing a Ten-Days Research Methodology Course for M.Phil./ Ph.D./PDF in Social Sciences from **January 03 to January 12, 2022**. This course will open vistas of knowledge on the methodological basis of research and strategies to cope with future challenges. The mission of the course is to impart research skills to research scholars (M.Phil./Ph.D./PDF) and enhance the quality of research. This course will contribute to the effective use of emerging technologies and establish a firm foundation for the overall development of high quality research. The training course will predominantly follow the Research Methodology syllabus designed by the ICSSR, New Delhi.

ICSSR New Delhi

The ICSSR, New Delhi was set up by the Government of India in 1969 as an autonomous organization in order to review, promote, encourage, assist and coordinate social science research in the country.

About The Department

The School of Studies in Economics, has established in year 1968 at Vikram University, Ujjain with the objective of conducting teaching and research in economics and its' issues. The School is committed to act as a centre for research on relevant socio-economic issues. Department has the tradition to organize scholarly gathering and discussions, symposia, workshops, conferences and so many activities to promote socio-economic research.
